## Dogs, Toys, Trash, and Lawn Care

A friendly reminder for all of our dog friendly buildings. Dog owners are responsible for picking up after their dogs. This is important year round, but even more so during the spring grass cutting season. Please make sure to pick up after your dog immediately so that our lawn crew can get their job done quickly and efficiently. It is the Law, so avoid a citation and fine.

For everyone else, please make sure that children's toys are not left out on the lawns and that trash is picked up and placed in garbage cans, recycle bins, or dumpsters. This will not only make our lawn crews happy, it will make your apartment properties look better. Be proud of where you live!

Speaking of trash, please be careful not to put any hot coals, lit cigarettes, etc. into any bin. These can start a fire very quickly!

Lastly, please remember to RECYCLE! Empty/rinse any bottles, cans, or containers and flatten boxes. For a list of acceptable items, please check out the following flier:

## National Oreo Cookie Day!

The National Biscuit Company (today known as Nabisco) first developed and produced the Oreo Biscuit in 1912 at its Chelsea factory in New York City. Today, the block on which the factory was located is known as Oreo Way.

- The name Oreo was first trademarked on March 14, 1912.
- The first Oreo cookies in the United States sold for 25 cents a pound in clear, glass-topped novelty cans.
- In 1912, the Oreo Biscuit was renamed to Oreo Sandwich.
- In 1948, the Oreo Sandwich was renamed to Oreo Creme Sandwich.
