## Berg Management has Exciting News!

We have been hard at work here in the Berg office trying to make everyone's life a little easier. Please watch your e-mail and look for postings on our upcoming enhancements. We will soon be opening up the Tenant Portal on our Property Management software called Propertyboss. Tenants will be able to enter Work Orders and track their status on-line! In addition, Tenants will be able to view their register and pay their rent on-line or schedule automatic payments!

As some of you may have noticed when calling the Berg office, you are immediately greeted by voice mail. Please know your party's extension in order to get right to them or send an e-mail to either [INFO@BERGMANAGEMENT.COM](mailto:INFO@BERGMANAGEMENT.COM) if you have any questions or [SERVICE@BERGMANAGEMENT.COM](mailto:SERVICE@BERGMANAGEMENT.COM) if you have a maintenance request.

Remember, rent is due on the 1<sup>st</sup> of the month. Please drop off your rent checks, made out to your landlord, NOT Berg Management, in the night drop box to the left of Berg's main entry door at 235 W. Broadway or watch for the on-line portal to go live and pay on line!

## Braided Easter Egg Bread

### Ingredients

- 2 ½ cups all-purpose flour, divided
- ¼ cup white sugar
- 1 teaspoon salt
- 1 (.25 ounce) pkg active dry yeast
- 2/3 cup milk
- 2 tablespoons butter
- 2 eggs
- 5 whole eggs, dyed, if desired
- 2 tablespoons butter, melted

### Directions

1. In a large bowl, combine 1 cup flour, sugar, salt and yeast; stir well. Combine milk and butter in a small saucepan; heat until milk is warm and butter is softened but not melted.
2. Gradually add the milk and butter to the flour mixture; stirring constantly. Add two eggs and 1/2 cup flour; beat well. Add the remaining flour, 1/2 cup at a time, stirring well after each addition. When the dough has pulled together, turn it out onto a lightly floured surface and knead until smooth and elastic, about 8 minutes.
3. Lightly oil a large bowl, place the dough in the bowl and turn to coat with oil. Cover with a damp cloth and let rise in a warm place until doubled in volume, about 1 hour.
4. Deflate the dough and turn it out onto a lightly floured surface. Divide the dough into two equal size rounds; cover and let rest for 10 minutes. Roll each round into a long roll about 36 inches long and 1 1/2 inches thick. Using the two long pieces of dough, form a loosely braided ring, leaving spaces for the five colored eggs. Seal the ends of the ring together and use your fingers to slide the eggs between the braids of dough.
5. Preheat oven to 350 degrees F (175 degrees C). Place loaf on a buttered baking sheet and cover loosely with a damp towel. Place loaf in a warm place and let rise until doubled in bulk, about 45 minutes. Brush risen loaf with melted butter.
6. Bake in the preheated oven until golden brown, about 30 minutes.

Spring is coming! Please remember to keep the lawns clear of debris, especially on lawn mowing day, and be sure to recycle properly. NO plastic bags in the recycle bin!
