Christmas Reminders!
We wish you and your family a Safe & Happy Holiday Season!

Be careful with holiday decorations. Choose decorations that are flame resistant or flame retardant. Keep lit candles away from decorations and other things that can burn. Some lights are only for indoor or outdoor use, but not both. Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for a safe number of light strands to connect. Use clips, not nails, to hang lights so the cords do not get damaged. Keep decorations away from windows and doors.
